

CONTENTS

I—INTRODUCTION	3
1—General	3
2—Terminology	3
(a) Loss in weight on heating	3
(b) Solid resin yield	3
II—APPARATUS SPECIFIED	3
III—APPLICABILITY OF METHODS	4
IV—TEMPERATURE CONTROL	4
V—METHODS OF DETERMINATION	4
1—Determination of loss in weight on heating or solid resin yield at 100°C.	4
2—Determination of loss in weight on heating or solid resin yield at 135°C.	5
3—Determination of loss in weight on heating or solid resin yield at 120°C.	6
VI—EXPRESSION OF RESULTS	6
