

CONTENTS

VII. Flexible Foams	1
I Introduction	1
II Raw Materials used in Flexible Foams	4
III Foam Systems	7
IV Methods of Foam Application	75
V Properties of Flexible Foams	117
VI Applications of Flexible Foams	159
VII Miscellaneous Flexible Foam Systems	178
VIII. Rigid Foams	193
I Introduction	193
II Raw Materials Used in Rigid Foams	197
III Foam Systems	201
IV Methods of Foam Preparation	225
V Foam Properties	239
VI Applications of Rigid Foams	268
VII Miscellaneous Foaming Systems	285
IX. Elastomers	299
I Introduction	299
II Chemistry of Urethane Elastomers	300
III Urethane and Urethane – Urea Elastomer Systems	308
IV Properties of Urethane Elastomers	392
V Applications	431
X. Coatings	453
I Introduction	453
II Chemistry of Urethane Coatings	456
III Formulations and General Properties of Urethane Coating Systems	468
IV Miscellaneous Coatings	524
V Solvents, Pigments, and Additives for Urethane Coatings	532
VI Specific Formulations and Properties for Various Applications of Urethane Coatings	535

XI. Adhesives	609
I Introduction	609
II Chemistry of the Urethane Adhesives	609
III The Design of Urethane Adhesives	613
IV Summary of Properties, Comparison with other Adhesives	618
V Rubber-to-Fabric Adhesion	620
VI Rubber-to-Metal Bonding	637
VII Metal-to-Metal Adhesive	642
VIII Wood Adhesives	649
IX Miscellaneous Adhesives Applications	650
XII. Fibers	661
I Introduction	661
II Preparation of Urethane Fibers	661
III Structure of Urethane Fibers	684
IV Properties of Urethane Fibers	691
V Applications of Urethane Fibers	693
VI Spandex Fibers	694
VII Miscellaneous urethane and Other Isocyanate Derived Polymers for Fiber Applications	
713	
VIII Structural Effects in Linear Polyurethanes	722
XIII. Miscellaneous Applications of Isocyanate and Polyurethanes	735
I Introduction	735
II Textile Modification	735
III Thermoset Resins	758
IV Combinations with Poly (vinyl) Compounds	762
V Thermoplastic Molding Compounds	767
VI Low Durometer Elastic Polymers	770
VII Miscellaneous Applications	785
Appendix E. Bibliography of U. S. Patents	805
Appendix F. Trade Names and Generic Names	857
Index	865
