

CONTENTS

Resins and Compounds	4
Film and Sheet	37
Foams	42
Laminates, by NEMA grades	45
Creep	48
Dielectric loss Properties	101
Electromagnetic (EM) Shielding effectiveness and Conductivity	84
Impact resistance	69
Poisson's ration	131
Antioxidants	134
Antistatic agents	153
Colorants	140
Flame retardants	156
Foaming agents	174
Free radical initiators	162
Lubricants (Compounding)	168
Optical Brighteners	167
Plasticizers	187
Stabilizers	176
Ultraviolet stabilizers	197
Blow molding machines	199
Compression molding machines	206
Dispensing machines for urethane foam	213
Extruders	217
Granulators	223
Injection molding machines	228
Sprayup equipment for reinforced plastics	234
Structural foam machines	235
Thermoforming machines	238
Transfer molding machines	247
Suppliers: Alphabetical Index of companies with Addresses and Telephone Numbers	251
