Chapter 1	
The Historical Development of Cosmetic Science	1
Bibliography	7
Chapter 2	
Legislation Concerning Cosmetics and Toiletries	9
1. Development and Organization	9
2. The Food and Utility Article Law	10
3. The EEC Directives on Cosmetics and Toiletries	12
4. The Cosmetics Decree	13
5. Supplementary Regulations and Voluntary Agreements	14
Bibliography	15
Chapter 3	
Areas of Application for Cosmetics and Toiletries	17
1. The Skin	17
2. The Hair	22
3. The Oral Cavity	31
Bibliography	38
Chapter 4	
Active Ingredients in Cosmetics, Their Effects and Efficacy – A General Overview	39
1. Functions and Goals of Cosmetics and Active Ingredient Cosmetics	40
2. Effects and Efficacy	40
3. Active Ingredients of Cosmetics and Toiletries	41
4. Proof of Cosmetic Effects	42
5. Examples of Efficacy	43
6. Effects and Side Effects	44
7. Effects of Cosmetics and Toiletries on Personality	45
8. Outlook	46
Bibliography	46
Chapter 5	
Cosmetic Preparations	49
1. Cosmetic Preparation for Skin Care	49
2. Cosmetics and Toiletries with special Effect	96
3. Cosmetic Preparations for dental, Denture, and Oral Hygiene	145
4. Cosmetic Preparation for hair Care	177
Bibliography	227
Chapter 6	
Menstrual Protection Products	235
1. Historical Development	235
2. Medical Aspects of Menstruation	237
3. Intravaginal Protection	238
4. Extravaginal Protection	243
Bibliography	253
Chapter 7	
Natural Cosmetics and Toiletries	255
1. Definition	255

2.	Advantages and Disadvantages of Natural Substances	256
3.	Preservation	257
4.	Coloring	259
5.	Perfuming	259
6.	Outlook	259
Chapter 8		
	Perfuming Cosmetic Preparations	261
1.	History	261
2.	Functions	262
3.	Product Groups	263
4.	Application Techniques	266
5.	Fragrance Selection	268
6.	Evaluation of Safety of Aroma Chemicals	269
	Bibliography	269
Chapter 9		
	Preserving Cosmetic Preparations	271
1.	Microbiological Spoilage of Cosmetics and Toiletries	272
2.	Destructive Organisms in Cosmetics and Toiletries	274
3.	Preserving Cosmetic Preparations	277
	Bibliography	279
Chapter 10		
	Compatibility of Cosmetic Preparations	281
1.	Toxicology	281
2.	Dermatology	291
	Bibliography	299
Chapter 11		
	Packaging Cosmetic Preparations	301
1.	Packaging Requirements and Functions	301
2.	Packaging Materials and Containers	303
3.	Decoration of Cosmetic Packaging	307
4.	Future Ecological and Economic Challenges	309
	Bibliography	310
Chapter 12		
	Quality Assurance	311
1.	Quality Control	311
2.	Quality Promotion	316
	Bibliography	317
Chapter 13		
	General Principles of the Technology for the Production of Cosmetics and Toiletries	319
1.	Terminology	319
2.	Mixing and Homogenization Systems	322
3.	Production Techniques	326
	Bibliography	335
Chapter 14		
	Environmental Aspects	337
1.	Ecological Aspects of Household Preparations	337
2.	Cosmetic Preparations as Washing and Cleaning Agents-Water Pollution protection	339
3.	Chlorofluorocarbons as Propellants	340
Chapter 15		
	Economic Aspects	343
1.	Number and Size of Companies – Employment Figures	343
2.	Value of Goods Produced – Importance of the Various product Groups –	

	Manufacturer prices	343
3.	Foreign Trade Volume – Foreign Trade Balance Most Important Regions of Origin and Destination	344
4.	Sales Distribution Channels – Number of Sales Outlets	347
5.	Advertising Expenditures – Role of Advertising –Importance of the Various Media	348
6.	Consumer Expenditure – Development of Per Capita Consumption and Standard of living	349
7.	Perspectives on the Future	350
	Bibliography	350
	Index	353
