

*CONTENTS*

---

	Preface	vii
1	The practical significance of polymer degradation	1
2	Thermal degradation	17
3	Photo-degradation	68
4	Oxidation of polymers	86
5	Antioxidants and stabilisers	119
6	Degradation and the fire hazard	170
7	Degradation in special environments	190
	Index	218
