	Page
Chapter I ALUMINUM CAST IRONS	1
General information	1
High-alloy cast iron with lamellar graphite	7
High-alloy cast iron with nodular graphite	19
High-alloy aluminum cast iron of the carbide type(pyroferal)	40
Low-alloy casst iron	50
Chapter II ALUMINUM CAST IRONS ALLOYED WITH SILICON OR CHROMIUM	53
Silicon-aluminum cast irons	53
Chromium-aluminum cast irons	61
Chapter III APPLICATIONS OF ALUMINUM CAST IRON	63
Chapter IV CHROMIUM CAST IRON	70
General information	70
Low-alloy cast iron	72
High-alloy cast iron	86
Chapter V SILICON CAST IRON	92
Cast iron with lamellar graphite	92
Nodular casst iron	109
The manufacture of castings from nodular silicon cast iron	130
Casting defects	138
BIBLIOGRAPHY	141
LIST OF ABBREVIATIONS	146
