

## CONTENTS

	Page
<b>PRODUCTION</b>	
1. Occurrence, Extraction and Primary Production	3
2. Casting Processes	19
3. Mechanical Working Processes	37
4. Fabrication	71
5. Heat-Treatment Processes	96
<b>APPLICATION</b>	
6. Atmospheric Exposure – Architectural Uses	115
7. Water Distribution, Plumbing, Heating and Ventilating	131
8. Electrical and Marine Engineering	156
9. High-Temperature Application	192
10. Petroleum, Chemical, General Engineering and Other Special Applications	208
<b>PROPERTIES</b>	
11. Physical and Mechanical Properties	237
12. Conjoint Mechanical and Corrosive Action	285
Specification Index	301
General Index	309
