

CONTENTS

| | |
|--|-----|
| 1. Brazing—its origins, principles and scope | 1 |
| 2. Joint design | 13 |
| 3. Brazing Alloys | 34 |
| 4. Brazing fluxes | 65 |
| 5. Hand torch heating | 78 |
| 6. Fixed torch heating | 88 |
| 7. Furnace brazing | 116 |
| 8. Induction heating | 152 |
| 9. Resistance brazing | 171 |
| 10. Less-common heating methods | 186 |
| 11. Brazing aluminium | 198 |
| 12. The strength of brazed assemblies | 213 |
| 13. Selection and inspection | 229 |
| 14. Special applications | 245 |
| Index | 259 |
