

**CONTENTS**

1. General description	1
2. Dispersants	15
3. Foam control agents	34
4. Viscosity modifiers	51
5. Water – retention agents	68
6. Lubricants	80
7. Preservatives	106
8. Colorants for aqueous pigmented coatings	126
9. Insolubilizers	136
10. End – use modifiers	173
11. Additives for solvent base coatings	204
12. Some principles of coating formulation	209
Index	215
Appendix – TAPPI PRESS books listing	225
