

CONTENTS

Forward	9
Introduction. Abbreviations and Nomenclature	13

RUBBER COMPOUNDING MATERIALS

Vulcanization Materials	
Accelerators	22
Activators	54
Retarders	71
Vulcanizing and Curing Materials	78
Protective Materials	
Antioxidants. Antiozonants and Inhibitors	98
(also includes: Antiblocking Agents. Antiflex Cracking Agents. Antislip Agents. Antistatic Agents. CV Absorbers. Flame Retarders. Fungicides/Germicides , Heat Sensitizers. Optical Brighteners. UV Light Absorbers).	
Chemical and Heat Stabilizers	120
Processing Materials	
Homogenizing Agents	130
Plasticizers and Softeners	131
Peptizers	171
Processing Aids and Dispersing Agents	173
Tackifiers	180
Extenders. Fillers and Reinforcing Materials	
Carbon Blacks	198
Non-Black Materials	212
Auxiliary and Surface Materials	
Adhesives and Bonding and Sealing Agents	240
Blowing Agents and Blow Promoters	249
Dusting. Dipping and Washing Materials	253
Finishes	259
Lubricants	262
Odorants and Antistaining Agents	277
Polymerization Materials	279
(Includes: Catalysts. Chain Extenders. Crosslinking Agents. Dispersing Agents. Emulsifiers. Modifiers. Polymerization Accelerators and Activators and Inhibitors. Reducing Agents. Shortstops. Terminators).	
Reclaiming Materials	291
Solvents	293
Price List	301-309

LATEX COMPOUNDING MATERIALS

Antiblocking Agents	312
Antifoaming Agents	313
Antiwebbing Agents	316
Coagulants	317
Creaming Agents	318
Dispersing Agents	319
Gelling Agents	323
Preservatives	324
Stabilizers and Emulsifiers	325
Thickening and Viscosity Stabilizers and Reducers	329
Wetting Agents	331

NATURAL AND SYNTHETIC RUBBERS. LATEXES AND RECLAIMS

Natural Rubbers	334
Synthetic Rubbers	
Acrylic Elastomers	348
Chlorinated Polyethylene Elastomers	351
Chlorosulfonated Polyethylenes	352
Epichlorohydrin Elastomers	353
Ethylene/Acrylic Elastomers	354
Ethylene-Propylene Copolymers	355
Ethylene-Propylene-Diene Terpolymers	356
Fluoroelastomers	361
Isobutylene-Isoprene Elastomers	364
Isoprene-Acrylonitrile Elastomers	366
Nitrile Elastomers	367
Nitrile Reactive Liquid Polymers	384
Polybutadiene Elastomers	385
Polychloroprenes	387
Polyisobutylene	390
Polyisoprenes	391
Polysulfides	392
Silicone Elastomers	394
Styrene-Butadiene Rubbers & Latexes: Emulsion Copolymers	400
Styrene-Butadiene Rubbers: Solution & Block Copolymers	408
Styrene-Isoprene Rubbers	412
Thermoplastic Polyester Elastomers	413
Thermoplastic Polyolefin Elastomers	415
Urethane Elastomers	416
Vinyl Acetate/Ethylene Copolymers	426
Styrene-Butadiene Resins	427
Reclaims and Regrinds	428
Natural and Synthetic Emulsions, Latexes and Dispersions	
Acrylic Latexes	434
Fluoroelastomers	435
Isoprene Acrylonitrile Latexes	436
Isobutylene-Isoprene Latexes	437
Natural Rubber Latexes	438
Nitrile Latexes	440
Polychloroprene Latexes	442
Styrene-Butadiene Latexes	444
Vinyl Pyridine Latexes	448

COLORING MATERIALS

Inorganic Colors	452
Organic Colors	469
Colors for Latexes	477
Multiple Type Colors	481
