

CONTENTS

Chapter 1- Commercial Classifications

Sheet Rubber	7
Diaphragms and Diaphragm Sheet	10
Cloth-Inserted Sheet	11
Asbestos, Cork and Cellulose Sheet	12

Chapter2 – Visual and Dimensional Characteristics of Sheet Rubber

Commercially Available Finishes	14
Visual Characteristics	14
Sampling and Acceptance	14

Chapter 3- Commercial Tolerances

Sheet Rubber and Diaphragm Sheet	15
Rolls or Slabs	15

Chapter 4 – Physical properties and service conditions

Physical Properties of Sheet Rubber	17
Physical Test Methods	17
Service Conditions	17
Rubber or Elastomers	18

Chapter 5- Storage of Rubber Products **19**

Chapter 6- Non-Metallic Gaskets for Pipe flanges **20,21**

Chapter 7- Sheet Rubber Glossary **23,32**

Index	33,34
