TABLE OF CONTENTS

		Page
Introduction;	Part I	1
	Part II	30
Results and Discussion:	Part I	10
	Part II	35
Experimental		
	Part I	
	General procedure	20
	Isolation of the chemical constituents from the fruit of Hibiscus sabdariffa	23
	Preparation of methyl esters of component C ...	27
	Preparation of the acetate derivative of component D	28
	Preparation of the benzoate derivative of component D	29
	Part II	
	General procedure	44
	Bromination reaction, preparation of substituted benzyl bromides	46
	Kornblum oxidation, Preparation of Aryl aldehydes	51
